REVISED NOTICE TO THE PROFESSION: CENTRAL SOUTH REGION

From: Harrison S. Arrell
Regional Senior Justice – Superior Court of Justice
Central South Region

Date: April 30, 2020

Since my Notice to Profession dated April 28, 2020, new information has come to the attention of the Court that the safety of participants during in-person court hearings as of June 1, 2020 remains a significant issue.

As such there will be no in person matters heard in May or June 2020 in Central South, including non-jury trials.

I will advise, once further safety information is available, as to whether this prohibition of in-person hearings will be lifted by July 6, 2020. As such the Court will not be able to offer any non-jury trial sittings during the summer.

The Court is working to increase virtual hearings in the meantime, however, the delivery of technology remains an issue.

The other matters listed in my Notice of April 28, 2020, and in prior notices, will be still be available.
